Dear Parents/ Carers

Welcome back to school. I hope you had a relaxing and rejuvenating half term break and got to enjoy all that unexpected sunshine.

I am delighted to tell you that following our Ofsted inspection on 29/01/19 that Sutton Park Primary continues to be a good school.

The inspector confirmed that many changes have taken place since I became head, including how we teach reading and that this was the right decision.

“Leaders have designed an effective strategic plan with all the changes planned in order and monitored carefully”

I would like to thank those parents/ carers who completed the online questionnaire or spoke to the inspector, we received some wonderful comments. I would also like to thank all of you who frequently hear your child read at home. The inspector recognises your support in her report and how this accelerates pupil progress.

I have taken note of the need to communicate more information to parents about pupil progress and invite you, if you haven't already, to book a parents evening appointment on either the 5th or 6th of March .

The leadership team will be hosting another coffee morning on Wednesday 20th March from 8.50am after a very disappointing zero turnout at the last one! Please come along and share your ideas and concerns. We want Sutton Park to be the best it can for each and everyone of our children and value your contributions.

The full Ofsted report letter is published on the school website for you to read.

Best wishes

Karen Tanner
