Dear Parents/carers

I am delighted to be able to write my first newsletter as the new Headteacher of Sutton Park Primary School. I feel extremely honoured and privileged to have been chosen to continue to build upon the success the school has already achieved.

For the last five years, I have been deputy head teacher, special educational needs co-ordinator and safeguarding lead at Pearson Primary School, also in Hull. Being a parent myself, I am very much aware of the responsibility that my staff and I have in ensuring that the highest standard of teaching and learning is achieved. We have a hugely committed team and wonderful children, which of course, is a great place for any new head to start!

The needs of the children are always paramount in the life and decision making within a school. I strongly believe in providing the children with exciting, creative and meaningful learning experiences, which build their enthusiasm for learning and help them to grow and develop positively in a variety of ways. I want to build a whole school community which thrives on mutual respect and values positive relationships.

For me, one of the most important things is to involve the children and their families as partners in their education. I know how vital working in partnership with parents really is in order for children to find school a positive and rewarding experience. As key educators in your children's lives, it is important that you have a voice and that as a school we are approachable and allocate time to listen to your concerns, worries or thoughts about the school.

In the near future I will be inviting parents in for an informal coffee morning. This will be an opportunity to meet other parents, chat to me and other members of staff over a cup of coffee and a slice of cake. Watch this space!

You can be assured that as Headteacher, I will strive to create the best education for your child/children whilst they are members of our school family. Please do come up and introduce yourselves outside school – I will attempt to be on the playground before and after school each day.

I look forward to meeting you all soon,

Mrs. Liz Lee
